Happy

Words and Music by David Gaulton

Verse1:

E F#m E/G# A
God only knows how I just couldn't go on
The devil had a grip on me and all I did was wrong
I tried with all my strength to turn away from sin
But, God said don't try so hard, cause all I need is Him

Pre Chorus:

B A
He satisfies my every need.
He's the answer that my eyes can't see.
So Lord, teach me how to be your child.
Cause I've been waiting for this, for such a long while.

Chorus:

E C#m B A
Lord I give it all up to you.
E C#m B A
I'm confident that you will bring me through.
E C#m G#m Bbm7(b5)
So just pour Your love down on me…..
A C#m B E
Cause I can't wait to make you happy!
A C#m B E
I can't wait to make you happy!

Verse2:

God you're my king and no one else will do
I surrender al I am and give it up to you
Just lead me on the path of righteousness
Cause I just cant stand alone in my sinful flesh
